OHSU Doernbecher Children’s Hospital has been a leader in pediatric care for nearly 100 years and is a resource for every child and family in need. Its mission is built on four pillars: clinical care that is second to none; research to treat or eliminate childhood disease; educating and training the next generation of pediatric health care providers; and advocacy to ensure that the needs of kids in its communities are met through effective systems, policies and resources that impact children’s health.

Donor support is essential to Doernbecher. In this past year alone, philanthropy has made it possible for them to see more than 76,000 patients, research new ways to treat everything from respiratory viruses to rare disease and improve and expand services outside of the Portland metro area. Patients and families locally and across the country turn to Doernbecher for support in their most challenging moments.

Your support makes this life-saving care possible.
For patient stories visit our tournament website page:

Our online auction benefiting Doernbecher Children's Hospital starts on September 14th, 2024, **but we need your help with more baskets!**

100% of the auction items revenue goes to Doernbecher's!

We could use more baskets in general or gift cards in denominations of \$25 or \$50 that we can combine with other gift cards and make packages. Please turn any donations towards the auction into the Business Office.

Thank you for your support!

Check out the auction page, register to bid and see what baskets we have!

THE BEASTS *and* BEAUTIES

Our Annual Ladies vs. Seniors (Beauties vs. Beasts) Event is in the books with the Beasts claiming the title back! If you were at the Club last Tuesday, August 25th, you likely saw the event being played with Ladies representing in pink and Seniors wearing red! There were about 20 players on each team and the best 10 net scores counted for their total team score. The Seniors handily beat the ladies with scores of +20 and +42, respectively.
